

2018 ANNUAL CAI MANAGERS ONLY EVENT

This years MANAGERS ONLY EVENT will be held at WOODHAVEN FARM located in Johnstown on **Friday, November 9, 2018**. The farm offers us the opportunity to prepare a gourmet meal as teams, each doing a part of the meal. Once complete we all sit down together to enjoy the fruits of our labors. Non Alcoholic drinks are provided but you are able to BYOB.

A bus will be included for transportation to and from the event. You will be notified where that location will be shortly. It will most likely be in the Polaris area.

This event is limited to the first 30 registrants . Please note if you will want to ride on the bus or drive yourself on the registration form. We know some of you will want to have the freedom to come and go and not be tied to the bus schedule.

We understand emergencies come up so if you register, and can't attend please notify us as soon as possible so we might be able to add someone from the wait list. Although there is no cost to a management company or a manager for this event, there is a cost attached for our business partners who are kindly sponsoring the event. Also, due to the limit on the number that can attend , we will have a standby list for those that register after the limit has been reached. If there are any cancellations we will contact those on the standby list in the order of registration date and time received until all spots are filled.

REGISTRATION DEADLINE IS OCTOBER 26.
