Candidate statement	I'm excited to continue the success that the board has achieved recently with well organized and well attended events throughout the year as well as informative and educational luncheons for chapter members. I look forward to working with the board to increase membership in the chapter, specifically by expanding the variety and scope of the business partners. As a leader of a newer management company, I'm always interested to discuss with other business leaders how we can work together to make our industry more efficient thereby creating a better living experience for all the communities we service.
