Email	jhuber@bjglaw.net
Organization name	Brosius, Johnson & Griggs, LLC
CAI Membership Type	Business Partner
Candidate statement	<p>I appreciate the opportunity to be considered for a business partner seat on the Board for our Central Ohio Chapter of CAI. My daily work on behalf of my condominium and homeowners' association clients allows me to meet and advise board members, work cooperatively with community association managers, and learn from so many other critical association business partners and service providers. I value that role and the ways it allows me to grow personally and professionally every day.</p> <p>I have enjoyed serving on the Programs Committee over the past few years, as well as the connections I've made with so many of our members through my involvement with that Committee and planning and attending Chapter events. So far, two highlights for me have certainly been watching Kim's and my hard work come to fruition in the Women in Leadership panel discussion our Chapter held in May, and being one of the attorney panelists for our legal discussion in November. I hope to be a part of other events with that level of meaning and magnitude in the future.</p> <p>In my experience, what makes a good board member is her engagement in the group and her commitment to working toward achieving the group's goals. I am advancing those goals, both through my professional work and my CAI experience, and I intend to continue moving them forward as a Board member, if I am elected to serve our Chapter in that role.</p>
