

**CENTRAL OHIO
CHAPTER CAI
MANAGERS ONLY
EVENT
FRIDAY, DEC. 8, 2017**

Clayspace / Gallery 831

At Clayspace / Gallery 831, customers are limited only by their imaginations. Clayspace sprung from the imagination of its owner Tami Knight, a former registered nurse who was ready to do something fun.

Open for seven years in a large, beautiful Brewery District location at 831 S. Front St., this fully equipped ceramic studio also houses a gallery to showcase local art and ceramics. In this comfortable and supportive environment, students are encouraged to explore their creative potential, share ideas and create personal works of art with clay.

The Managers Only workshop in hand-building will be led by experienced artists and include informal discussion, demonstrations and hands-on instruction. Our event includes clay, glazes, instruction, and firing. Individual pieces can be colored and decorated at the workshop then are fired once dry. A clear glaze is then added to the pieces and they are fired again. Items will be available in about 2 weeks for pickup.

Located at: 831 S Front Street, Columbus, OH 43206

Thanks to the generosity of our sponsors: Able and Davey, this event is at no charge to the managers.

Lunch will be served prior to beginning the creative portion of the afternoon at 11:00 am and studio time will begin afterwards. **Please dress accordingly as it may be messy.**

Be sure to register for this event soon

as it is limited to the first 35 registrants due to space availability.

Deadline to register is Friday, December 1, 2017.

Thank you to our sponsors:
