

Co-Lee Grev, AMS, PCAM, RS joined the Association Reserves team in 2022 and serves as the President of the Ohio office. A member of the Community Association Institute (CAI) since 2010, Co-Lee earned the Association Management Specialist (AMS #4859) designation, the Professional Community Association Manager (PCAM #1963) designation and the Reserve Specialist (RS #367) credential. For the past two years, she has been a valued member of the National Reserve Study Standards Committee.

With over 20 years of experience, Co-Lee brings a wealth of knowledge, wisdom, and insights to the various roles she has had in the industry. She started her career as a Community Association Manager and sat on the CAI San Diego Chapter Board of Directors for 3 years. Co-Lee also served on the Public Relations and Membership Committees and became a Business Partner Member in 2013.

Her focus for the past decade has been on the financial health of Condos and HOAs through her work preparing Reserve Studies. All types of Association-governed communities in Southern California, the State of Ohio & the Northeast United States have engaged her services. Co-Lee's experience as a Manager and Reserve Specialist uniquely qualifies her as a subject matter expert in long-term planning for associations.
